

License Agreement and Disclaimers for the Road Atlas of BC Database

Between GIS Innovations (GISI) and _____ (you)

Dated for Reference and the effective date is: _____

PLEASE READ THIS LICENSE CAREFULLY BEFORE ACCESSING THE SOFTWARE AND/OR *DATABASES* PROVIDED TO YOU. BY USING THE *DATABASES*, YOU AGREE TO BE BOUND BY THE TERMS OF THIS LICENSE. IF YOU AGREE, PLEASE FILL OUT THE INFORMATION DEFINED AT THE BOTTOM OF THIS AGREEMENT, SIGN IT AND SUBMIT IT TO GISI. If you do not agree to the terms of this license, promptly remove all copies of the *Databases* provided from all of your systems and/or return all copies of the media provided, along with any documentation provided to the place where you obtained it.

The Database: The *Road Atlas of BC* is a commercial *Database* (hereafter referred to as the “*Database*”), as such it is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

License Terms

a) **Ownership:** The *Database* is a proprietary product of GIS Innovations Ltd. and additional licensors including but not limited to the Province of British Columbia. The *Database* is protected by copyright laws. The *Database* is not clip-art. The *Database*, in whole or in part, is NOT in the public domain. Title to this *Database*, including any copy, modification, revision or merged portion thereof shall at all times remain with GIS Innovations Ltd. and/or its licensors.

b) The *Database* is licensed, not sold. GIS Innovations Ltd. grants you a non-exclusive, non-transferable license **to use the Database as set forth herein and defined by the License Specifics below.**

c) **Selection of the Database:** You assume responsibility for the selection of this *Database* to achieve your intended results, and for the installation, use and results obtained from this *Database*.

d) **Upgrade or update:** If this *Database* is purchased as an upgrade or provided as an update to a previous version of the licensed *Database*, this *Database* may be used only to replace the previous version, and no additional license is granted. This *Database* and the previous version may not be separately used or transferred to a third party.

e) **Delivery media:** The *Database* delivery package may contain the *Database* on more than one medium or in more than one format. Similarly, the *Database* may be provided or accessible directly via an electronic transfer. These duplicate copies of the *Database* are for your convenience, and no additional license is granted.

f) **Backup:** You may copy the *Database* as needed for back-up or archival purposes only.

g) **Modification, Revision and/or conversion to alternate formats:** You may convert the *Database* from the originally delivered format into any format(s) more suitable for your application(s). Modifying, revising or converting the *Database* does NOT affect the copyright of the *Database*.

h) **Extraction to other Databases:** You may extract components of the data for use in other technologies, however the license required will be that of the total number of *Users* accessing the *Database* in any direct or extracted form. For example, you may extract the road names list and/or address ranges from the format provided and include them in some other function, such as address validation of any other address entry system. However you must have enough licenses to the *Database* to include the *Users* accessing the *Database* in its extracted form by that address entry system.

i) **Service Bureau or Emergency 9-1-1 license:** The *Database* is NOT to be used within emergency 9-1-1 systems, Service Bureau or similar purposes unless specifically authorized by GIS Innovations Ltd.

j) **Definition of a User:** For this license, the counting of *Users* is NOT determined to be the concurrent users. Rather, each *User* is a named person who accesses the *Database* by any means at any time. Also considered one *User* is any specific automated process that accesses the *Database* by any means at any time. For multiple *User* or corporate licensing, *Users* are your automated procedures, as well as your employees, and agents doing work on your behalf, and excludes all others.

k) **Single User license:** Each license of the *Database* may be installed on or accessed by a single computer at one time by one named person. It is the responsibility of the licensee to assure that the *Database* is not moved to a second computer

until it has been completely removed from the first. A *Single User* license does NOT include *Internet* licensing (section o).

l) **Multiple User license:** Multiple *User* licensing allows for access in any form or format to the *Database* by up to the maximum number of *User* licenses granted. A *multiple User* license does NOT include *Internet* licensing (section o).

m) **Corporate usage license:** A corporate usage license allows for access in any form or format for unlimited number of *Users* within the organization licensed. This does not extend to usage by junior or senior affiliates where those affiliates have their own identity. This does not extend to usage beyond the ministry, branch or department named as the licensee. A corporate usage license includes *Internet usage* privileges (section o).

n) **Private network-server access:** The usage of this *Database* within a private intranet or internal network system will be considered the same as if all potential *Users* were simultaneously accessing the *Database* as per the *Multiple User*, or *Corporate User* licensing. There is no restriction to the number of computers-servers that may host the data other than for *Single User* licenses.

o) **Internet license:** You may use the *Database* within internet applications subject to the following limitations: (1) the application is in direct support of any outside party locating your products or services, including how someone might get from their location to one of your physical locations, but only to your locations, AND (2) the map displays may not be predominantly an atlas or collection of maps, AND (3) the distribution shall not constitute a publication for sale or contain paid advertising, AND (4) that information provided to the internet user is in an image form that is stripped of attribute information and does not display in any way roadway information other than the road shape, name, and usage class, AND (5) the application will include the notices described in sections (q) and (r).

p) **Plotting to paper or paper equivalents:** You may create and distribute paper copies of the original *Database* subject to the following limitations: (1a) for internal purposes you may make an unlimited number copies, AND (2a) for external distribution you may make up to thirty (30) copies per month of any size by any means of the same area, OR (2b) you may make up to 10,000 copies of up to 5 locator maps per month at 8.5 inches by 11 inches where each map contains no more than 20 road or feature names, AND (3) the map product may not be predominantly an atlas or collection of maps, AND (4) the information does not display in any way roadway information other than the road shape, name, and usage class AND (5) the distribution shall not constitute a publication for sale or contain paid advertising, AND (6) all plots must include the notices described in section (q).

q) **Copyright and Disclaimer Notice:** All Internet screens and paper plots must include this notice:

Copyright GIS Innovations Ltd. and the Province of BC. All rights reserved.
 Reproduction of any kind prohibited. This map is informational only.
 No representation or warranty of any kind is given. User assumes all risk of use.
 WARNING: THIS IS NOT A CHART. DO NOT USE FOR MARINE NAVIGATION

r) **Copyright and Disclaimer Notice Internet Link:** All Internet screens must include label similar to "Legal Notice", with a hyper-link to the URL: www.gis-innovations.bc.ca/rdbc_license.htm.

s) **You may not de-compile, disassemble or otherwise reverse engineer this *Database*, in whole or in part, or allow third parties to do so, except as expressly provided for in this agreement.**

t) **You may not rent, lease, or time-share the *Database*. You may not use, copy, modify, or transfer this *Database*, or any copy, modification, revision or merged portion, in whole or in part, except as expressly provided for in this agreement. If you do transfer possession of any copy, modification, revision or merged portion of the *Database* to another party except as expressly provided, your license is automatically terminated.**

Termination: The license is in effect until terminated. You may terminate it at any time by destroying this *Database* together with all copies, modifications and merged portions in any form. It will also terminate at earliest of the terminated date indicated below, as upon any other conditions set forth elsewhere in this Agreement or if you fail to comply with any term or condition of this Agreement, or if you fail to pay the appropriate license fee(s). You agree upon termination to destroy this *Database* together with all copies, modifications and merged portions in any form.

Disclaimer: GIS Innovations Ltd. expressly advises the you that the real world features that the *Database* attempts to define are always in a state of constant change. New roads are created and old roads are decommissioned, road names do get changed, addresses are assigned or reassigned, traffic rules are changed, facilities are added and decommissioned, natural features do change, and so forth.

GIS INNOVATIONS LTD. EXPRESSLY DISCLAIMS ANY REPRESENTATIONS AND WARRANTIES OF ANY KIND WITH RESPECT TO THE *DATABASE*. IN PARTICULAR, GIS INNOVATIONS LTD. AND ANY ADDITIONAL THIRD PARTIES DO NOT REPRESENT OR WARRANT THAT THE INFORMATION CONTAINED IN THE *DATABASE* IS ACCURATE, COMPLETE OR CURRENT. NEITHER GIS INNOVATIONS LTD. NOR ANY THIRD PARTIES, EMPLOYEES OR OTHER REPRESENTATIVES WILL BE LIABLE FOR ANY DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, DIRECT, SPECIAL, INDIRECT, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES FOR LOSS OF INCOME, PROFIT OR SAVINGS, AND CLAIMS OF THIRD PARTIES, ARISING OUT OF OR IN CONNECTION WITH THE USE OF THE *DATABASE* PROVIDED.

This Agreement: Any attempt to sublicense, assign or transfer the license or the *Database* except as expressly provided in this Agreement is void. If a portion of this Agreement is held unenforceable, the rest of this Agreement shall remain enforceable. This Agreement will be governed by the laws of the Province of British Columbia and the federal laws of Canada applicable therein. Should you have any questions concerning this Agreement, please contact GISI.

You acknowledge that you have read this Agreement, understand it and agree to be bound by its terms and conditions. You further agree that unless otherwise specified in a purchase contract, this agreement is the complete and exclusive statement of the agreement between us which supersedes any proposal or prior agreement, oral or written, and any other communications between us relating to the subject matter of this Agreement.
